Dear Forestry Professional:

The legislation providing for the registration of professional foresters and forestry technicians in West Virginia contains the stipulation that registrations issued under the act "shall expire on the last day of the month of June following their issuance or renewal and shall become invalid on that date unless renewed." The fee for the renewal of registrations shall be **Thirty-five Dollars (\$35.00)** per year.

The State Board of Registration for Foresters has established a website that can be accessed at: [www.wvlicensingboards.com/foresters](http://www.wvlicensingboards.com/foresters). The site is designed to give individuals faster access to information including Board minutes, forms, rules and the Annual Report and Roster. A hard copy of the Annual Report can be mailed to you for an additional cost of \$5.

Rules developed and approved by the Legislature, effective April 14, 2000, also require that all registrants earn a minimum of ten (10) hours of Continuing Forestry Education (CFE) annually. Attached is a Registration Renewal Form that includes a CFE certification section for listing the sessions attended and credit hours earned. Foresters and forestry technicians that have retired and have been granted Emeritus status are not required to submit 10 hours of continuing education, but are still required to pay the annual renewal fee. Foresters and forestry technicians that were registered in October 2019 or April 2020 are not required to submit 10 hours of continuing education at this time, but still must submit the attached form along with the renewal fee (\$35). Beginning July 1, 2020, new registrants will be responsible for obtaining the required CFE credits.

Please complete in full the attached Registration Renewal Form, attach copies of all continuing forestry education certificates you have listed on the Form, and mail them along with your renewal check to the Secretary by **June 30, 2020**. The WVBORF has been instructed to add the language regarding child support to our applications and renewal forms. Under WV Code 48-15-201(4) an individual that is delinquent with child support payments may have their license or registration subject to disciplinary action.

If your registration is currently inactive or delinquent and you wish to be reinstated, please submit the renewal form, CFE documentation for the current year, renewal fee, plus an additional \$10 for each year your registration has not been active. Registered Foresters that have been inactive for more than five years must also successfully pass the exam to become reinstated. To remain valid, renewals must be received by June 30, 2020. Checks should be made payable to the WVBORF.

Sincerely yours,

Dave McGill, Secretary  
WVBORF
